

## Happy spring from Hinkle Dentistry!

The weather is getting warmer, blossoms are blooming on the trees, and vaccinations are everywhere! Like the impending cicadas, we're ready to crawl towards the sun and drink in all the outdoors has to offer...alfresco dining, baseball games, hiking the W&OD Trail...did someone say beach?!?

Things are looking rosy indeed! And speaking of roses, for those of you that haven't made it into the office in the past few months, may we introduce the newest Hinkle? **Say hello to Lucy Ro** (an homage to Dr. Hinkle's mom, Rosemary) who was born on January 27<sup>th</sup>. There are lots (I mean lots!) of pictures of the kids in the office, so come on in and visualize the cuteness!

We're all weary from the last year and we have learned a lot! Yes, 2020 definitely gave us lots to think about...and one thing we kept coming back to is just how lucky we are to have patients like you! You've been enormously supportive as we've navigated "these unprecedented times" (won't it be great to NEVER hear that phrase again?!?!?). You're our greatest asset, and we couldn't and absolutely wouldn't have been able to weather the storm without each and every one of you. And we're looking for more people just like you, who value state-of-the-art dentistry delivered by people you know and trust.

With that in mind, we wanted to begin a season of patient gratitude! Beginning May 1<sup>st</sup>, for each Google review given, or referred new patient seen in the office, we'll enter your name into a drawing to win a summer gift basket valued at ~\$200. We'll draw our winner on **July 15<sup>th</sup>!**

For those of you who have been cautious to return, we absolutely understand, and invite you to come back to the practice. While we have always adhered to strict, medical disinfection protocols, we have gone above and beyond to introduce medical-grade air filtration systems, aerosol sterilization, as well and many other steps that you can view on our website at [www.hinkledentistry.com](http://www.hinkledentistry.com). Feel free to call our office. We're happy to answer any questions you may have.

As always, we look forward to seeing each of you and providing the excellent dental care that you've come to expect.
